## About **NIKSA METAL**

---

For over a decade, NIKSA METAL has been dedicated to the production of metal components for furniture. Our company operates with renewed dynamism and an improved working system, ensuring the continuation of our activities promptly. In addition to manufacturing metal parts for furniture, NIKSA METAL also serves the automotive industry, consistently strengthening our customers' primary needs in design and end results.

Customer satisfaction is at the heart of our mission. We understand the importance of catering to the unique requirements of our clients, and we continuously strive to exceed their expectations. NIKSA METAL remains dedicated to providing top-notch services that not only meet but also elevate the standards of the furniture and automotive industries.

Explore the world of precision and reliability with NIKSA METAL, where craftsmanship and advanced technology converge to create metal components that stand the test of time. We look forward to being your trusted partner in the journey of crafting quality and resilient solutions for your needs.
